About FnB

FnB is a specialist furniture supplier for the hospitality industry. Since we started, our mission has always been to provide our clients with the highest quality, products and customer service, while maintaining a completely competitive price. We stock a wide range of European and International brands tailored for commercial, hospitality and residential spaces.

Based in our showrooms, our dedicated team works closely with architects, designers, developers and industry professionals to ensure projects are fulfilled successfully. Our design and sales team is always on hand to offer any guidance or support that you might need.

We also offer a custom-made service to meet any specific project requests that you might have.

Who We Are

At FnB, we strive to become one of the nations leading companies for hospitality — furniture supplies, by following a fairly simple philosophy — offer a product of outstanding quality with equally outstanding values. The simplicity of that principle is backed up by a lot of hard work and years of experience.

Dedication

We approach each client with a total dedication to excellence, which is reflected by each employee on every level. Our team carefully evaluates every potential client through a method developed and tested over years of experience. We partner with architects, and contractors who share our passion for excellence.

Satisfaction

In our years of management experience, we have learned that customer satisfaction can be summed up in three words: consistency, consistency and consistency. We have achieved superior levels of customer satisfaction by paying attention to the finest details in everything we do, after which have provided the best consistent services. That's how we have developed exceptional levels of repeat business.

Less is more and simple is better.

Wooden Furniture

Our Teak Collection offers a full range of furniture using the highest quality teak material sourced directly from Indonesia. Our collection includes chairs, tables, and benches that are all suitable for contract clients.

Rattan Furniture

Our synthetic rattan furniture is made with only the highest quality materials, to withstand a variety of extreme weather conditions. Each piece of furniture uses high grade aluminum framework weaved with the world's leading synthetic fiber acquired from Viro and Rehau and upholstered with weatherproof fabric from Sunbrella and Etisilk.

Resin Furniture

A very strong and high quality plastic material used in outdoor furniture; Resin is extremely weatherproof as it is rust and rot-proof, making it the perfect, maintenance free, pool and patio furniture.

Textilene Furniture

An up and coming material that is gaining popularity for outdoor furniture due to its extreme durability and low maintenance requirements. It is made of Polyester fiber and is covered with a coating of PVC which makes it impossible to tear. It is mostly used for the back and seat of all types of outdoor chairs, sun loungers and hammocks.

Table Tops

We offer a wide variety of table tops in several colors and finishes to match your restaurant, cafe or bistro's decor. Our wide range of table tops can be used both indoors and outdoors. Designed for durability and convenience, our tops also make a statement contributing to the dining experience for your guests.

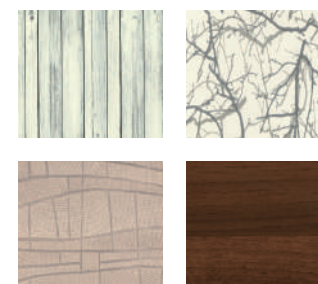

Table Bases

The No.1 solution to wobbly tables. A multi award winning leveling and stabilizing technology. Delivering functionality and cost savings never seen before in the hospitality industry.
